

Staff Intranet

Welcome to the new staff intranet.

This section is designed to help you in your work - so if there are any items you would like to see added please email Sally Cant, Marketing Manager.

If you have not registered for the Intranet please follow the link on the right - No account yet? Register

If you have registered you should have a username and a password. Please access the Intranet using these details.

We are looking for suggestions on ways to make the Intranet more interactive. If you have any local stories or articles that we can share please email to Sally.
